WELCOME TO MESHI

Japanese elegance and the authentic flavours of Asia

We are a small family with a great passion for Asian cuisine, and it was out of this passion that MESHI was born. In Japanese, MESHI means food – or, more precisely, a home-cooked meal. To us, though, it means much more: time spent together around the table, the joy of sharing and the connection between people. Our kitchen brings together Japanese elegance and the authentic flavours of Asia – simple, distinctive and full of character. We carefully choose quality ingredients and give every dish our time, care and heart, because we believe that good ingredients and honest cooking are what truly matter. At MESHI you can enjoy bold, honest Asian soups, our special starters, characterful ramen, traditional sushi with our homemade soy sauce, and the Asian favourites you may have been looking for for a long time.

We created MESHI as a place you will love coming back to – for good food, a warm atmosphere and time spent together, right in the heart of Pilsen, on Republic Square.
